Nurse: It's all right, it's all right darling. Jamie! Jamie! It's just another one of your nightmares that's all. Look at me, look at me. Get a Gurney---somebody! *(Doctors come in)* Breathe Jamie, Breathe. *(They start bringing her down a hallway.)*

Dr: Jamie, Jamie. Jamie, *(Since Jamie seems not able to breathe on her own, they start to place something in her throat.)*

Loomis: No! No!

Dr: What are you doing?

Loomis: Leave her.

Dr: This girl is dying, I have to open her trachea, for God's sake.

Loomis: She will stabilize.

Rachel: How could they? When are they going to realize that she is not him? She's just a child.

Loomis: They know that Michael Myers is her uncle and that she attacked her stepmother, that's why they fear her, especially on Halloween.

Rachel: I never should have let my parents talk me into leaving. I don't know what I was thinking.

Loomis: You're afraid

Rachel: I am not.

Loomis: You're afraid the whole thing might start to happen again. There's nothing wrong with being afraid.

Rachel: and I suppose there's nothing wrong with just leaving my little stepsister here alone?

Loomis: You can telephone her from the cabin. She'll be properly looked after.

Rachel: Then why do I still feel guilty? *(Tina is waiting for her at the end of the walkway.)*

(Cut to Tina and Rachel walking)

Rachel: I'm worried about Jamie.

Rachel: Well, why?

Loomis: Go check him. Now!

Rachel: All right, All right. Hold on. I have to go downstairs. *(puts phone down)* Brother! *(She goes downstairs in her towel. Myers is watching, she sees the back door open and Max is gone. Myers can be seen in the room behind her. She picks up the phone, and drops it)* Ah.

Loomis: How many people did he kill last year? Have you forgotten? Your own daughter!

Meeker: *(grabs Loomis)* I don't...

Loomis: *(Cuts him off)* No of course you don't forget. How could you? You never looked into his face did you? You never saw his eyes. You never saw that, that nothing no expression, blank. My memory goes back 12 years to the night I offered...I'm gonna show you. Show you something, look. *(lifts up his hand)* look at this, look at that. I prayed that he would burn in Hell, but in my heart I knew that Hell would not have him. *(cop comes in)*

Jamie: Billy! No! *(She turns to run to Billy but the car starts to come after her and she starts running.)* Please no, please, please. *(She continues to run through trees, Myers driving behind her. Cut to Tina with Billy)*

Tina: Stay here Billy, I'll be right back! *(Jamie screams)* Leave her alone! Oh god! Jamie!

Jamie: *(Running)* Help me!

Tina: Jamie! *(Running towards where Jamie is. They both continue running. Myers crashes into a tree, and goes into flames, the car horn starts to blare. Jamie is laying on the ground looking relieved.)*

Jamie: Tina!?

Tina: Baby *(Standing farther away)*

Jamie: Tina, Tina *(The horn stops and Myers gets out of the car)* No!! Oh god, No! *(Jamie is crawling away while Myers is coming after her)* Help! No! *(Tina comes running and slams into Myers.)*

Tina: Jamie! Run! *(Myers holds her and stabs her, while Jamie stands there screaming)* Run!

Jamie: No...Tina!

Billy: *(Pulling on Jamie)* Come on.

Jamie: Tina! Tina! Tina! *(As they are farther away a shape can be seen walking behind them. Loomis pops out and grabs them, they start walking away, where they emerge from the woods, which are surrounded by police.)*

Loomis: Don't shoot!

Meeker: Loomis?

Loomis: Yeah, I got them here.

Meeker: Damn you, come on get them outta here. *(Picks Jamie up and is walking with her.)* Spread out, find the other girl. It's all right Jamie, it's gonna be all right. *(Tina is being wheeled out, she is dead.)*

Jamie: Tina! Tina! Tina....no...

Loomis: Now are you willing to help me?

Jamie: Can you kill him?

Loomis: I think so.

Meeker: Now wait a minute Loomis...

Loomis: There isn't a minute to wait.

Jamie: What do you want me to do?

(Cut to a few minutes later, the police are all leaving and Loomis is walking to the edge of the woods)

Loomis: Michael, it will destroy you too. One day Michael this rage which drives you, will think if you kill them all it will go away. It won't. You have to fight it in the place where it's strongest. *(Myers can be faintly seen in the woods)* Where it all began. If you want to get rid of this rage, Michael, go home. Go home. Go to your house, I shall be there waiting for you. You'll find her waiting for you...
(Cut to the Myers house, Jamie is upstairs by a window brushing her hair, cops are set up all around in the bushes.)

Meeker: *(Into WT: Walkie Talkie, in bushes)* You see us from the street?

Cop: Not a chance.

Meeker: *(Into WT)* Station 1, you sure he can't see you? Inside units, I want a report every five minutes.

Officer1: Roger.

Officer2: Ten Four

Loomis: *(Into WT)* He may not be able to see you sheriff, but we can all certainly hear you.

Meeker: *(Into WT)* All right, relax Loomis, this is my operation all right fellows, let's keep it down on the radio chatter.

(Cut to Jamie and Cop)

Charlie/Cop: Looks like you and me are the only ones around here keeping our cool. *(Jamie puts her finger to her lips to quiet him)* Good idea, wanna practice our

signals? All right. *(Jamie bangs the hairbrush)* You do that good and loud and I'll be outta here in a flash....Your one brave girl.

(Jamie starts breathing funny.)

Jamie: Billy? Billy? *(Loomis is outside the door)* Billy?

Charlie: Dr Loomis?

Jamie: Billy...

Charlie: Dr. Loomis?

Jamie: Billy?

Loomis: *(Into WT)* Meeker, he's at the clinic.

(All the cops start leaving the Myers house. Meeker goes to a car and talking to a cop: Eddie.)

Eddie: We just had a distress call from the clinic, they haven't been able to reach them again. There were four men up there.

Meeker: *(Into WT)* All right, this is Sheriff Meeker, all mobil units proceed immediately to the clinic. *(More cops are leaving, most are gone)* All right, Loomis, I'm moving the girl to the police station. She'll be safe there.

Loomis: Understood.

Meeker: Move it out, lets go.

Cop: The girl, Charlie, Loomis are in there still.

Meeker: All right, I got it. *(The police are all gone except Eddie in the car. Loomis is standing in the doorway, and throws out the walkie talkie.)*

Loomis: Now you'll come, won't you, Michael? *(He goes inside. Cut to Jamie and Charlie)*

Charlie: I'd say you've done your nights work. Come on, my pal Eddie and I will give you a ride to the station. Let's go. *(They get up to leave, and Myers comes in)* Dr. Loomis. *(Loomis shuts the door and locks it.)* What the hell are you doing?

Loomis: We aren't taking her anywhere.

Charlie: You've got 5 seconds to give me the key, before I take it.
(Cut to Eddie outside in the car)

Eddie: *(Into WT)* Charlie, can you read me?

Charlie: This is Charlie, what's going on?

Eddie: *(Car swerving towards him)* There's a car approaching, I'll check it out. It looks like one of ours. Its a code 2. *(Jamie has started breathing funny again)* Hey!
(The car crashes into his car)

Charlie: Eddie? Do you read me? Eddie can you read me? *(Outside Myers has broken into the car window and proceeds to smash Eddie's head on the dash board. Upstairs they can all hear him being killed through the walkie talkie)* Eddie, come in! Christ! I've gotta call Meeker! *(Loomis grabs the Walkie Talkie and smashes it.)* You crazy son of a bitch! *(Loomis pulls a gun on him)*

Loomis: Charlie...Charlie...Michael Myers is outside....Stay with the little girl..Please.
(Loomis leaves the room)

Charlie: Don't worry about this *(Myers is outside walking to the house. Charlie puts a pole up against the door)* We have to get outta here.

(Loomis is walking downstairs, where Myers is lurking)

Loomis: You...You've come back to us Michael...*(Myers is standing behind Loomis on the stairs)* I...I know why you've come back Michael. Because the little girl, the little girl can stop the rage inside. She knows how to do it Michael. *(Walking towards Myers)* If you let her she can stop the rage, the rage inside *(Loomis is now inches away. Myers looks towards the 2nd floor. His knife raised.)* No, she's not up there Michael. She's down here. In the middle of the old house...your house Michael, your house. Don't you remember how much better you used to be, let me take you. *(Reaches out for him)* Let me take you to her, she'll take your rage away, Michael. *(Myers starts to loosen his grab on the knife)* You'll be better then. You don't, you don't need *(Reaches for the knife)* that. *(Myers keeps the knife and slashes Loomis with it. He grabs Myers and throws him over the railing. At the same time Charlie uses his gun to smash the upstairs window)*

Jamie: Hurry, Pleas. *(He throws rope out the window)* Hurry, please! *(Myers is coming)*

Charlie: All right, I need you on my back, you just hold on to me. *(Myers is breaking through the door, Jamie gets off Charlie's back and Charlie fires 10 shots at Myers. Myers falls down)* All right, come on. *(Myers totally breaks through the door, and grabs Charlie. Jamie gets up and runs from the room. Myers proceeds to hang Charlie from the rope out the window. Cut to the Clinic where police are brining out dead bodies. Meeker stops to uncover one.)*

Meeker: Oh God! Damn. All right, everybody's out. I wanna sweep of the building and the grounds *(Mumbles into WT)*

(Cut to Jamie, locking herself in a large room, she then slides down a laundry shoot, just as Myers breaks into the room.)

Jamie: Please don't let him get me, please God. *(Myers walks around the room and opens the laundry shoot where Jamie is hanging, she slides down a little, and then slides down all the way when Myers tries to grab her, she passes out for a minute, which gives Myers the chance to make it down to the basement, and try to open the shoot. Meanwhile, she comes to and starts screaming. She slowly starts climbing up and when Myers realizes that he can't get to her he starts stabbing the sides of the shoot. Jamie uses the knife to help her climb all the way up. She climbs out and runs to the attic, where she bumps into the dead body of her dog, and another person, only turning to see Rachel's dead body)* NO! RACHEL! NO! *(Myers starts climbing up the stairs)* Rachel...help me...*(She goes in search of a hiding place, only to find an open coffin laying on top of a bathtub. She climbs in. Myers comes to stand next to the coffin. His knife raised.)* Uncle...Bogymen...*(He lowers the knife, she points to her face)* Let me see..*(Myers reaches up and removes his mask. Jamie sits up.)* Your just like me. *(Myers has a tear running down his cheek.)* Let me...*(She reaches to wipe the tear away. Myers jumps back, and starts putting the mask back on. The coffin falls over and Jamie runs. Myers goes to the coffin not knowing that Jamie has left the room, and starts stabbing*

the coffin. He realizes Jamie isn't there. Jamie has run down the stairs and bumps into Loomis and screams) OH God! (Myers is standing at the top of the stairs)

Loomis: You wan her? Here she is *(He is holding Jamie.)* Your little girl. *(Jamie is screaming and Myers is walking down the stairs towards her.)* Come and get her.

Jamie: No! Please!

Loomis: *(Walking away from Myers slowly)* Come and get your little girl. Michael, lets play a game. *(They are now standing in the big room with the laundry shoot.)* Catch the little girl. Catch. Michael, get the little girl. *(Mumbles. He pulls on a cord and a heavy metal chain falls on Myers. Loomis puts Jamie down and starts shooting Myers with Tranq darts. Myers takes the gun from Loomis. Loomis goes and pulls a board from one of the windows. He proceeds to hit Myers with it.)* Die! Die! Die! Die! Michael! Die! Die! Die! Die! *(He stops hitting Myers, and then falls on top of Myers.)* D..ie...*(The police arrive. A while later at the police station, Myers is sitting in a jail cell. Meeker, Jamie and other officers are looking at Myers)*

Meeker: National Guard will take him to a maximum security facility where he'll stay till the day he dies.

Jamie: He'll never die.

Meeker: *(To officer)* All right, take her back to the clinic.

(The man in black is walking outside the station. Jamie and the officer go out to the car. All of the sudden there is a loud explosion. Cut to inside. Man in black is now shooting at officers. Cut to outside)

Officer: Stay in the car.

(The cop gets out and goes inside the station. Jamie gets out of the car and goes into the station. She walks around, bodies of dead officers all over the place. She goes to Myers cell. The cell bars are blown open, and Myers in not anywhere around.)
